

2017 SARA U16-21 and Masters Championships  
ARE **STILL** ON AT MASSANUTTEN

Hi All,

We are still planning to provide a Championship venue for you; however, these 70+ degree days and the forecasted rain on Saturday are taking their toll. With this in mind, Massanutten Snowmaking has stated that the dropping temps Saturday night will enable them to push and groom snow to provide a reasonable race surface. We are prepared with chemicals to help firm up the process.

This means that we will not be racing on Saturday. As you will note by the attached revised tentative schedule we are going to try to get 4 runs in on Sunday. If you have a hotel reservation and decide to come in Saturday, you may call the rental desk: 540-289-4952 and ask for Jasmin. She will restructure your reservation and you will not be charged for Friday night.

We will still hold registration on Friday night for those of you that intend to travel today. The Saturday registration will be in the Mountain Cruiser Building from 2:30-4:30 PM. Additionally, we will have a Team Captains Meeting at 3:30 PM also in the Mountain Cruiser Building. There will not be a Sunday registration.

Finally, we really hope that you will still be as excited as we are to participate in the SARA Celebration at Ruby's Arcade in Harrisonburg from 6-9 PM on Saturday night!

As you can understand, this restructuring will involve a significant amount of effort. We will graciously accept and seriously appreciate your help in setting, resetting, course maintenance, gate judging, and take down. It will be necessary to provide a safe and efficiently run event. By pulling together, we will succeed in providing a Championship event for all of our SARA U16-21 and Masters athletes and our SARA families.

Many thanks!

Sandy Crenshaw
